

**Build Olneyville Plan
PEOPLE PLAN**

GOAL/Outcomes	Metrics	Strategies	Partners
GOAL #1 – HOUSEHOLDS ARE MORE ECONOMICALLY STABLE AND SELF-SUFFICIENT			
<p>Work-able residents have viable employment options.</p> <p>Residents actively utilize the employment and training programs available to them.</p> <p>Residents are financially literate.</p>	<p>Avg earned income of work-eligible households</p> <p>Median household income</p> <p># of resident employed by PHA or contractors through Section 3</p> <p>#/% of adults that complete high school or earn their GED</p> <p>#/% of working-age adults with a certificate or license</p> <p>#/% of working-age adults working at least 30 hours/wk</p> <p>#/% of residents who complete computer training</p> <p>#/% of residents with internet access via home computer or smart phone</p> <p>#/% of households who completed financial training and/or counseling</p> <p>#/% of households receiving EITC</p>	<ol style="list-style-type: none"> 1. Continue to help Manton Heights/Olneyville residents raise their net worth by providing employment services, access to income supports and one-to-one financial coaching via the Family Success Center. Established in 2011 with Social Innovation Funds provided by Local Initiatives Support Corporation, FSC is a proven service delivery model intended to support and monitor the progress of each individual toward his or her goals. 2. Promote and enroll residents in the Providence Housing Authority’s Education and Training Center programs including ESOL, ABE/GED, employment application preparation and skills development. Leverage existing partnerships with local employers including Groundwork Providence, Sherwin Williams, Workforce Solutions, Center for Dynamic Learning and Narragansett Creamery. 3. Continue partnership with Citizens Bank “Growing Communities Initiative” and explore other funding opportunities like United Way of RI to support bi-lingual computer education at Manton Heights. 4. Replicate Blackstone Valley Community Action Program’s pilot program that provides on-site case management staff at Chad Brown and seeks to connect residents to training programs with a medical focus. 5. Connect interested and eligible residents to Stepping Up to access training, education, career coaching, and support services so they may enter or advance into high-growth, high-demand healthcare careers. 6. Partner with Social Enterprise Green House to offer the Incubator-- a flexible 15-week program that provides entrepreneurs who are just beginning to think about their ventures with an opportunity to access business planning tools and templates, and expert mentoring that fits with their schedule-- at the Family Success Center. 7. Partner with Building Futures and Youth Build to maximize employment of Manton Heights, Olneyville and other low-income Providence residents on the redevelopment project. 8. Promote Manton Heights’ resident participation in the FSS program as new slots become available. 9. Promote local VITA sites at Olneyville Housing Corporation, Federal Hill and Open Doors and maximize utilization of the Earned Income Tax Credit. 	<p>Family Success Center, PHA’s Education and Training Center, Olneyville Neighborhood Association, English for Action, Youth Build, Building Futures, Groundwork Providence, Dorcas International Institute of Rhode Island, Blackstone Valley Community Action Program, Stepping Up, Social Enterprise Green House, Olneyville Housing Corporation</p>

GOAL/Outcomes	Metrics	Strategies	Partners
GOAL #2 – CHILDREN, YOUTH AND ADULTS HAVE IMPROVED PHYSICAL AND MENTAL HEALTH OUTCOMES.			
<p>Residents have access to quality health care and supports that effectively address the high rates of chronic disease and reduce stress, anxiety and depression.</p> <p>Residents have access to resources, amenities and programs to maintain a healthy diet and regular physical activity.</p>	<p>#/% of residents with health insurance</p> <p>#/% of residents who have a medical home, other than an emergency room, where they regularly go when they are sick or needs advice about their health</p> <p>#/% reporting good physical health</p> <p>#/% reporting healthy weight</p> <p>#/% reporting low psychological distress</p> <p>#/% of residents with hypertension</p> <p>#/% of residents who report eating the recommended 5 servings of fruits and vegetables per day</p> <p>#/% of residents who report engaging in 60 minutes of vigorous physical activity/day</p>	<ol style="list-style-type: none"> 1. Partner with the Olneyville Health Center and Clinica Esperanza to promote their health services and to offer coordinated health programming in support of families with a particular focus on reducing chronic disease via health education, smoking cessation, nutrition counseling, diabetes management, etc. 2. Partner with Clinica Esperanza to make their community health worker program- Viva Sana- available to Manton Heights residents. 3. Partner with the University of Rhode Islands’ Nutritional Health Program to provide SNAP education as well as nutrition and exercise programs. 4. Partner with Manton Avenue Community Garden, Southside Community Land Trust and Groundwork Providence to support, and possibly expand, the existing on-site community garden and ensure it is used to its fullest potential as source of healthy food, a classroom for learning and a venue for community building. 5. Expand participation in the Walking club and Zumba classes offered on site at Manton Heights 6. Support the resident-led basketball league for Manton Heights youth aged 6-12 7. Increase utilization of the smoking cessation services available to Manton Heights residents; Pilot a No Smoking policy at Manton Heights 8. Continue to provide health-related events on-site at Manton Heights including flu-shot clinics, fire safety program and seat belt safety program; identify additional partners and opportunities to expand these offerings 9. Housing Design and Neighborhood Plans support health agenda. 	<p>Olneyville Health Center, Clinica Esperanza, Providence Center, Brown University’s Institute of Community Health Promotion, Manton Avenue Community Garden, University of Rhode Island, Southside Community Land Trust, Groundwork Providence</p>
GOAL #3 – CREATE AN ATMOSPHERE THAT WELCOMES IMMIGRANTS TO THE COMMUNITY.			
<p>Residents have access to and utilize English as a Second Language Classes.</p> <p>Residents have access to immigration services that help them to fully integrate in the community.</p>	<p>#/% of residents who completed ESL classes</p> <p>#/% of foreign born residents who become U.S. citizens</p>	<ol style="list-style-type: none"> 1. Maintain services and supports available for the immigrant community to help overcome language barriers. 2. Promote and enroll residents in the ESOL classes available at Providence Housing Authority’s Education and Training Center, English for Action and Amos House. 3. Provide citizenship classes at Manton Heights in partnership with RI Family Literacy Initiative. 	<p>English for Action, PHA’s Education and Training Center, Olneyville Library, Olneyville Neighborhood Association, Comite de Inmigrantes en Accion, Dorcas International Institute of Rhode Island, Amos House</p>
